
COMMENT BOOKLET

Fishermans Pier Development Plan: Coordinated Environmental Assessment Public Meeting #1 – December 16, 2004

The Hamilton Port Authority is conducting a coordinated environmental assessment process under the *Canada Environmental Assessment Act* and the *Ontario Environmental Assessment Act* for the Fishermans Pier Development Plan. As the proponent of this project, the Hamilton Port Authority wishes to identify and involve all interested stakeholders in this environmental assessment process. Please use this comment booklet to submit your comments about this project.

Information About Yourself

Name: _____

Organization: _____

Mailing Address: _____

Telephone: _____

Email: _____

YES, please add me to the project mailing list (check box)

All information received will be subject to the provisions and disclosure requirements of the *Access to Information Act* and the *Privacy Act*.

Your comments may address any topic or issue that you feel is important. The questions on the following pages are intended to help you think about the feedback you may wish to give. There is an opportunity at any time during this process for interested persons to provide comments to the Hamilton Port Authority. Information updates on this project will be posted on the Port Authority web site (www.hamiltonport.ca).

***Thank you for taking the time to complete this booklet.
We value your input.***

**Please complete this comment booklet and leave it with us tonight,
or return it by mail or fax before January 7, 2005 to the attention of:**

**Jeff Brookfield, Hamilton Port Authority
605 James Street North, Hamilton, Ontario L8L 1K1
Fax: 905-525-7258**

What do you think about the opportunity at the Fishermans Pier site that was presented today?

What do you think are the most important issues that the planning team should address in this environmental assessment process? Are there particular components of the local environment that you think the planning team should be aware of?

Please complete this comment booklet and leave it with us tonight, or return it by mail or fax before January 7, 2005 to the attention of:

**Jeff Brookfield, Hamilton Port Authority
